Sareena, what did you do during the summer holiday?

I stayed with my Grandma for the summer holidays. She lives near the beach so I spent lots of time swimming in the ocean. I also had fun baking cakes with my Grandma. Now I am really good at baking! It was really fun to spend time with my Grandma, but I missed my parents and my friends.

Petru, what did you do during the summer holiday?

During the summer holidays I went on holiday with my family to Greece. We flew in an aeroplane for 3 hours and stayed at a big hotel for 2 weeks. The hotel was so fun! They had a swimming pool, a water slide and a pingpong table. I ate lots of delicious Greek food. I can't wait to go on holiday again!

Effia, what did you do during the summer holiday?

For my summer holiday I went to a summer camp. It was my first time at summer camp so I was nervous at first, but it was amazing! I made lots of new friends and tried some new sports like wakeboarding, rock climbing and kayaking. It was the best summer of my life!

Sofia, what did you do during the summer holiday?

I spent time with my cousins, Emily and Diego. One day we visited an amusement park and rode the big roller coaster five times! We also had lots of sleepovers with films and pizza. I love my cousins so much!

Hao, what did you do during the summer holiday?

My goal during the summer holiday was to watch as many films as possible. In total I watched 30 films. I watched all of my favourite action hero and space movies. I don't like romance movies because they are boring so I didn't watch them. My mum complained that I spent too much time indoors, but I don't care!
